

POLICE FORCE,
(DETECTIVE BRANCH.)

Shanghai Municipal Council.

October 21st

1916

Sir,

After 7 p.m. on the 20th inst, the sentries and patrols were doubled at and around the City and Arsenal.

General Yang has invited all the prominent merchants and officials to be present at the distribution of repatriation funds which will begin to-day at 8 a.m. near the Kau Tsaung Miao 高昌廟.

Colonel Waung Ping 王賓 of Loongwha has received instructions to turn out as many troops as he can to insure the maintenance of order at the distribution of the funds. In view of the activities of those rebels who are not satisfied with the amount of the grant it is anticipated that only about 3/10 of the whole will present themselves to receive the money. Dr. Sun Yat Sen was interviewed on the above subject by representatives of the rebels on the 20th inst and he informed them that he had nothing whatever to do with the repatriation scheme.

Your Obedient Servant,

William Armstrong

Chief Detective Inspector.

Captain Superintendent of Police.
